Dear Sir/Madam

Planning Application No: 18/00263/FUL
Restoration of the Mount Garden, and the Pavilion and Lodge Buildings,
The Mount Pavilion, The Esplanade, Fleetwood. TGT Reference: E17/1680

Thank you for your consultation letter inviting The Gardens Trust to comment on the above application.

As previously notified to you, the Gardens Trust which is the statutory consultee on matters concerning registered parks and gardens, is now working closely with County Garden Trusts to comment on planning applications and fulfil this statutory role. For further information, we refer you to the Gardens Trust publication *The Planning System in England and the Protection of Historic Parks and Gardens* (2016), which is available online at www.thegardenstrust.org. The Lancashire Gardens Trust (LGT) therefore responds in this case.

The LGT recognises the importance of the heritage assets at the Mount Garden in being a Registered Park and Garden Grade II as well as the two Grade II listed buildings. We welcome and support the continued investment which Wyre Council is making to complete the restoration of The Mount and its important buildings. In addition, we applaud the detail and the thoroughness of the proposals and supporting reports and look forward to seeing the works implemented.

Yours faithfully

Stephen Robson
