

A large weeping tree with bright yellow foliage forms a dense canopy over a path in a garden. The leaves are small and numerous, creating a thick, vibrant yellow cover. In the background, several people are walking along the path, their figures slightly blurred. The scene is bright and cheerful, suggesting a sunny day in a park or garden.

Bodnant Gardens

Rhododendron 'Waterfall'
(cinnabarinum x maddenii subsp crassum)

Embothrium coccineum

Cornus capitata

Primula pulverulenta

Meconopsis 'Lingholm'

Primula prolifera

Rhododendron wasonii f.
rhododactyum W1876

Beesia calthifolia

A photograph of a garden scene at Trentham. The foreground is filled with lush green leaves and hanging clusters of purple wisteria flowers. In the middle ground, there is a garden bed with purple flowers. In the background, a path leads towards a large, rounded topiary tree under a clear sky.
